# Welcome to Carew Dental!

Advanced Technology. Phenomenal Dentistry. Extraordinary Care.

This is **Next Generation Dentistry**. This is Carew Dental.

We are different, we are proud to be different, we are proud to be the next generation in dentistry.

## Our ethos

Carew Culture underpins an ethos built on integrity and kindness, and we have an unwavering goal of being the best we can be every day. We recruit exceptional people that are both highly skilled and have wonderful souls.

For patients this means, you receive genuine compassion and care that eases you through your journey. Whether that's a smile transformation or a routine health check, we will have you smiling on the inside as well as looking fabulous on the outside.

## The founders

**Melbourne**, our clinical director, is an incredibly talented dentist. For him Carew Dental is ALL about delivering phenomenal dentistry. Melbourne gets in the zone, focuses on his patient, and cool as a cucumber delivers exceptional dentistry every time.

**Joanna**, our managing director, has a non-dental background, and her focus is the business of dentistry. Joanna thrives on building a next generation business: creating an extraordinary dental practice that cares about its people, customer service, and never tires of delivering continuous improvements.

# Carew Crew

When you visit Carew Dental you can feel the warmth in every person you meet. Our Carew Crew simply LOVE their jobs, and it shows. We believe you deserve extraordinary patient care and phenomenal dentistry, and our aim is to deliver this to every patient, every time.

We are proud to have hand-picked the very BEST crew!

# Our facilities

Here are just a few things we love about our practice:

- A large car park with free parking
- Spacious patient lounge with complimentary drinks, TV, free Wi-Fi, and soothing essential oils
- 3 modern surgeries, airconditioned and fully equipped
- The single-level layout for pushchairs and wheelchairs (disabled access to rear)
- Awesome diagnostic tools including intra oral and state-of-the-art CBCT scanners

# Our services

From complete smile makeovers, to routine dental health checks. Whatever you need our team of hand-picked experts have got you covered!

- **General:** everything routine, checks, cleans, and general treatments such as fillings, crowns and root canal treatments
- **Implants:** we restore both smile and function so you can love your teeth again!
- **Cosmetic dentistry:** from composite to porcelain - our mind-blowing smile transformations!
- **Orthodontics:** if your teeth need straightening, we have discreet options available to suit you!

## Fees & finance

We have a full fee list available. Most treatments require a 50% deposit, and we accept all major cards (including Amex), BACs, and cash payments.

0% finance is available on all treatments over £500 so you can spread the cost of treatment over 6, 10 or 12 months without any additional fees.

Don't forget that Club Carew membership brings free assessments and 20% discounts on all general treatments and teeth whitening (50% for children and students)!

# Club Carew

Join Club Carew to experience the very best of Carew Dental! With our Club Carew memberships, you can benefit from priority appointments, huge discounts, and FREE emergency appointments and non-urgent assessments.

Club Carew is an exclusive membership available to our patients, where we help you take care of your dental health. When you join Club, you'll step into next generation dentistry, and you'll never worry about caring for your teeth again. Your dentist will prescribe your Club plan, and you can spread the cost of your care over hassle-free monthly direct debits from as little as £12.67 per month.

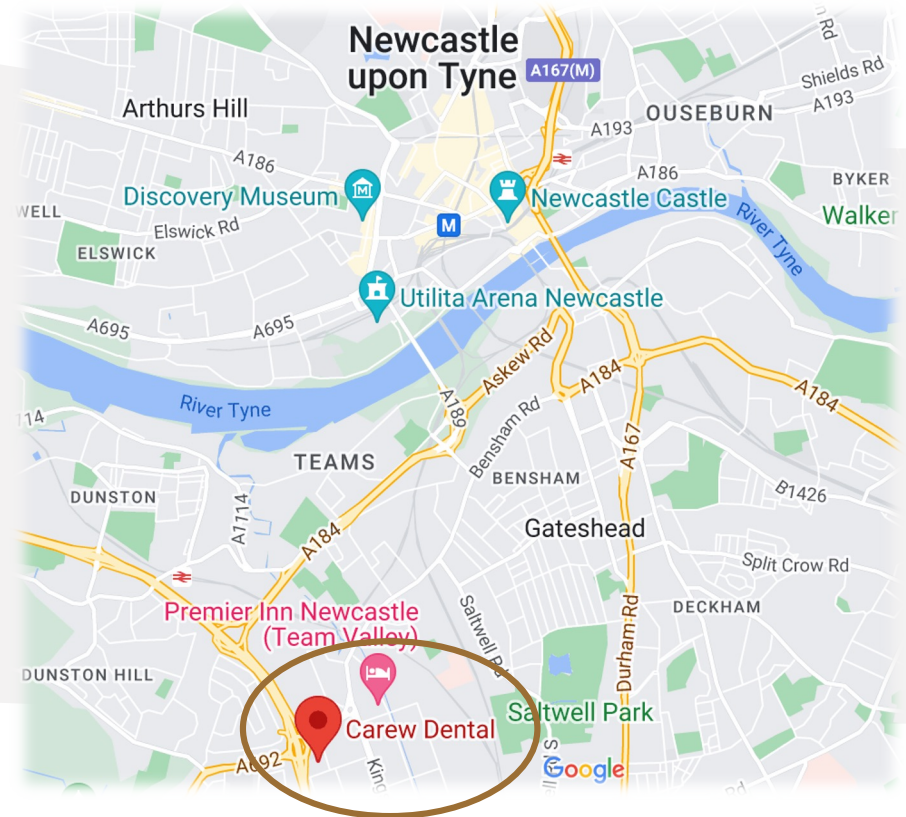

# Finding us

Let's start your Carew Dental journey today!

We have clinics all week including evenings and occasional Saturdays, so when you need us we're here to help. Plus, all our Club patients enjoy priority out of hours emergency cover completely free of charge – so even in an emergency we have you covered!

We're located south of Newcastle, literally just off the A1, so getting to us couldn't be easier!

# Local amenities

- Central 0191 469 9999

Premier Inn

Uber

# Medicals Rugby FC

We LOVE community engagement and are very proud sponsors of the Medicals Rugby Football Club, based in Heaton, Newcastle.

Having fallen in love with Medicals and played on their 'A' team for many years, Melbourne is totally ecstatic to be able to unite his two great passions: rugby and dentistry.

Whilst Melbourne has hung up his boots, Carew Dental remain strip and ground sponsors, and we all love to get involved with the club's fundraising and charity engagements. Plus, what's not to love about attending matches whenever we fancy a "work" day out!

# Contacts

We love to chat! Don't forget you can book a FREE pre-clinical consultation in practice, via Zoom or telephone too!
